

# Mastering Photographic Memory

# Some Instructions

- Turn up the volume..
- Keep your Notebook & Pen ready
- In just a few minutes, we'll have an interaction where-in you can ask your questions, so *RELAX*...
- If you miss out anything on this webinar, the video recording of this webinar will be available on the website, so *RELAX EVEN MORE*...

# For **ANY** Further Support

Tell your ***friends who attended this workshop.***

1. Email us at: [support@cocatalyst.in](mailto:support@cocatalyst.in)

and we'll get back to you as soon as possible.

Please don't call- as its very inconvenient to repeat the same thing to each and every person.

2. [www.MemoryPPT.xyz](http://www.MemoryPPT.xyz) is now working, they should use CHROME (recommended)- and please HELP YOUR FRIENDS IN THE REGISTRATION PROCESS.

# Little Homework- Today & Tomorrow

Today:

1. School List- 10 items (School gate, school bus, school reception...etc)
2. Car List- 5-10 items. Car- steering, gear, AC, stereo etc.

Now, ask your parents to call out 15-20 items. And you have to memorize & recall them in that order. ***AMAZE YOUR PARENTS!***

# Little Homework- Today & Tomorrow

Tomorrow (Monday):

20 Words to Pictures, take words from the Newspaper.

# Video Schedule (Login everyday- **EVENING**):

1. Basics & Pegging: Tuesday
2. Words to Pictures: Wednesday
3. Chaining: Thursday
4. Answers: Friday
5. Application- more in-depth: Saturday
6. Sunday: 21 Program

shifts in fields not only related to our courses but other fields as well. Below you can find some upcoming seminars.

Live Webinar starting at 11:00 AM, Sunday, May 15
